

Children's Memorial Butterfly Garden Stone Order Form

In memory of children who have been taken from the world too soon, the butterfly garden serves as a place of reflection, peace and comfort. The tranquility of the area is meant to provide families and friends of lost children an opportunity to memorialize them in a setting that can provide respite.

The granite stones along the walkway in the garden are available to serve as a memorial. The stone is 7 3/4" x 7 3/4" in Georgia Gray Granite. It has a polished top, sawed sides and the engraving will be filled in with black. The cost for a Memorial Stone is \$200.00. **Please complete this form and return it with your payment to: Legacy for Parks Foundation ♦ 220 SE Green Street ♦ Lee's Summit, Missouri 64063.**

In Loving Memory

(First Name and Middle Name)
